Re: BRRAM, Inc., et al. v. FAA, et al.  
Civil Action No. 3:14-cv-02686-JAP-DEA  
Automatic extension for opposition to motions to dismiss  
to October 6, 2014

Dear Judge Arpert:

Pursuant to the provisions of L.Civ.R. 7.1(d)(5), the undersigned attorney of Potter and Dickson, representing the Plaintiffs, hereby seeks the automatic extension of time to file opposition papers to each of the three pending motions to dismiss, namely, the motions filed respectively by Frontier Airlines, Inc., by Mercer County Board of Chosen Freeholders, and by United States Federal Aviation Administration; each motion to dismiss was originally noticed for the motion day of September 15, 2014.

The originally noticed motion day has not previously been extended or adjourned. The undersigned counsel for the Plaintiffs invokes the provisions of L.Civ.R. 7.1(d)(5) which provides for the adjournment once without consent of the moving parties to the next available motion day, which is October 6, 2014, for the filing of opposition papers.

Respectfully submitted,

POTTER AND DICKSON
